LEONARD HACKETT CLERK
U.S. DISTRICT COURT
MIDDLE DISTRICT ALA
IN THE UNITED STATES DISTRICT
COURT FOR THE MIDDLE DISTRICT OF
ALABAMA NORTHERN DIVISION

Borrah E Campbell II,
Plaintiff

v.

United Parcel Service, INC
Defendant

Civil Action No

2:06-cv-205-WHA-CSC

Plaintiffs Motion to REVERSE Civil Action
To Personal Injury or TORT Civil Action

The Plaintiffs Documents Concerning the court
case have been mingled after receiving dirty
documentation which was followed by break
IN at my home located at Olympia Heights
TOWN HOMES 4933 parktowne way Apt 17. A
computer, bed and miscellaneous items were
stolen on various days 8-16-2006 - 8-30-2006.
This has resulted in my impairment paranoid
Schizophrenia. I have family members who still
work for the defendant. They have distanced
themselves from me and treat me like a leper.

I am only one person and my Employer has an insurmountable advantage with a Five Lawyer team and billions of dollars. I am currently on disability and have a deteriorated nervous system which constantly relives the injustice racism and psychological warfare which dates back to 1998 prior to my promotion of Full time Supervisor. I Filed a written Complaint to my the defendant my then employer. ~~I included~~ It was a Complaint about the harassment and scare tactics of Stan Woodley my then Superior. I addressed this Complaint to four Superiors READ Cunningham, Larry Hill, Glenn Rice. The night after I Filed this Complaint I was pulled in the office by Stan Woodley who pulled out the Complaint and said that if I went through with it he would be Fired and my progression through the Company would be faster than his because I was a minority. I withdrew my Complaint based on 11 years of work history. Stan Woodley was the only Supervisor Superior I reprimanded. He was known for bad talking cursing black males and females. I cannot produce this documentation itself, however

I can produce other documentation of my credibility as a solid leader and asset to the defendant. I resigned when I saw that they began to attack me another way. After my promotion I was told by Stan Woodley "I was one tough not to crack." This started a windfall of psychological warfare which really never ended. ~~I felt that~~ I have set up appointments for deposition with attorney Jeremy Tucker which was canceled by him. I do not intend to meet with the Plaintiff until we meet in court before the Honorable Judge Cody. I am asking the Judge to grant my original claim for 3,000,000 dollars as in the failure of the defendant to produce any documents concerning my case represents fraud interfactor. PLEASE HELP ME!

DO WE NEED MEDIA HELP?
PLEASE
